Filed: June 29, 2001  
Application No.: 09/893,596

REMARKS

On April 25, 2007, Applicants' undersigned representative received a telephone call from the Examiner. During the telephone call, the Examiner requested an amendment to the claims. In particular, the Examiner requested that the claim term "tax lots" be amended to recite merely "lots," which the Examiner believes will provide more clarity to the claims. Accordingly, as requested by the Examiner, Applicants have amended Claims 1-3, 7, 9, 10, 14-16, 20-23, 27-29, 33-36, and 40-48 in the present proposed Examiner's Amendment.

CONCLUSION

It is not believed that extensions of time or fees for addition of claims are required, beyond those that may otherwise be provided for in documents accompanying this paper. However, in the event that additional extensions of time are necessary to allow consideration of this paper, such extensions are hereby petitioned under 37 CFR § 1.136(a), and any fee required therefore (including fees for net addition of claims) is hereby authorized to be charged to Deposit Account No. 19-5029.

Respectfully submitted,
